

THE SARTORIAL ISSUE

COLLECTION 253

Joseph Ribkoff

LETTER FROM VICE PRESIDENT OF DESIGN

THE SARTORIAL ISSUE

This season, we set out to create a collection that captures the essence of true style — not just in what a woman wears, but in how she wears it. My vision was to design forever pieces, ones she'll reach for season after season. Think of a beautifully tailored coat in a soft wool blend. A rich Merlot knit. A timeless black sweater. A perfectly cut wide-leg jean that pairs just as effortlessly with sneakers as it does with a low kitten heel.

With pieces that ensure she's impeccably dressed for every occasion, the Fall 253 Collection is a true masterclass in sartorial dressing — equal parts nostalgic and modern, classic yet still playful. We've handpicked styles that go beyond this season to tell a story of lasting elegance, ease, and everyday versatility. As the pages of The Sartorial Issue unfold, you'll discover staples designed to blend seamlessly into her life, offering endless possibilities for how and where to wear them.

From bustling streets lined with architectural marvels to quiet corners steeped in art, culture, and tradition, her style reflects the timeless elegance and dynamic spirit of her surroundings. Rich, autumnal hues — like a standout Merlot — infuse the collection with the energy and romance of the world around her, while classic neutrals lend each look an air of understated sophistication. And when she's ready to make an even bigger statement, animal prints and bold color add a striking edge.

As a refreshing stillness sets in, the joy of layering begins. Cozy cashmere knits bring warmth without sacrificing style, topped with sumptuous faux fur coats and accessories that elevate even the simplest ensemble — making each outfit as practical as it is polished.

At its heart, The Sartorial Issue is about more than just dressing — it's about elevating every moment with pieces designed for a lifetime, bringing a sense of luxury to the everyday and empowering her to move through the world with intention, poise, and unmistakable style year after year.
