

TREND CAPSULE  
LA BOHÈME

Joseph Ribkoff

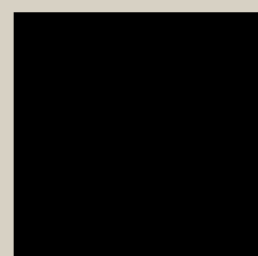

*La Bohème* channels her inner wanderlust in a collection inspired by sun-drenched voyages across the sea and beyond.

A curated capsule that drifts between ease and dressing with intention, where thoughtfully coordinated sets offer simplicity, with dot and shell-inspired motifs adding a touch of intrigue. Polished yet playful, shimmering knits paired with lace-edged denim bring a fresh spark to this summer wardrobe.

Open-stitch knitwear and linen fabrications move with her pace, offering comfort that feels instinctive. Moonstone grounds the palette alongside black accents, their organic depth expressed in each flowing silhouette—creating a lightness that invites her to linger, wander, and simply be.

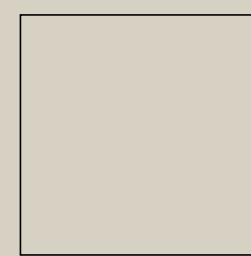

*La Bohème* moves with her rhythm, effortlessly adapting to every chapter of her summer story.
